The child on the right, a boy, is wearing a black and yellow patterned shirt and is looking towards the girl. The background shows the ocean waves and the sandy beach.

Letter from our Chief Executive Officer

The past year has been another one of change and excitement! In April 2017, we celebrated our 50th year as a community health center with a fun-filled gala. In response to the increased demand for services among our patients, as well as the influx of new patients, we expanded the clinical space at our Makahiki Clinic. We built-out the third floor, adding eleven additional exam rooms along with office and laboratory space. We are augmenting our primary care services with minor surgery and are increasing accessibility to our optometry services.

At our annual conference of the National Association of Community Health Centers, in Washington DC, we had the unique opportunity to meet with a few Congressional committee representatives. This has been particularly helpful as we navigate the health care arena.

During the past year, we have begun reaching out to incarcerated individuals who are re-entering the community. Our staff is working diligently to ensure that their healthcare and shelter needs are being met. Finally, our Care-A-Van clinic was converted to a primary care clinic, serving all people whether homeless or not. We are building capacity at that site as well.

Sheila Beckham, MPH
Chief Executive Officer

Letter from our President of the Board

As we celebrate 50 wonderful years of serving the Hawaii community, let us not forget the people who made it all happen. Our mission of assuring access to quality health care for underserved individuals, families and children who have few, if any, alternatives for affordable health care could not be accomplished without strong leadership, a mission driven staff, our many volunteers and our generous donors.

At a time when our nation's healthcare system seems to be directionless, Waikiki Health stands out as a beacon of hope ready to help those regardless of their ability to pay. With our three comprehensive medical and behavioral health sites and four sites providing medical care with a special focus, Waikiki Health serves a variety of needs including two serious issues we face today, homelessness and substance abuse. The word "Community" does not get lost in health center. We encourage you to read our annual report and decide for yourself the value that we bring to "OUR" community. Mahalo!

Reaching For The Stars: 50 Years of Service

On April 22, 2017, Waikiki Health celebrated its 50th birthday in grand style at the Hilton Hawaiian Village with our "Reach for the Stars" Fundraising Gala. Nearly 400 community supporters, donors and employees (47 in all!) came out to join in the festivities. The evening was full of glitz and glamour, and launched with cocktails, hors d'oeuvres, live acoustic music. Our silent auction included more than 60 items ranging from \$50 gift certificates up to several stay-cation packages valued from \$700 to \$2,200 each.

Francine Dudoit-Tagupa, Director of Native Hawaiian Healing, started the program by performing the traditional Oli, followed by warm opening remarks from our board member, Phyllis Dendle. A special historical video also was shared with the audience, illustrating our humble beginnings and where we are today.

The evening's award presentation, honoring the legacies of Healthcare Giants, Dr. Max Botticelli, Dr. Irwin Schatz and Dr. Neal Winn, commenced with opening remarks from CEO Sheila Beckham, followed by heart-felt comments about each "giant" by CMO Dr. Elliot Kalauawa. Family representatives for the legacy honorees were on-hand to receive the awards, including Senator Brian Schatz and his brother, Stephen, on behalf of their father, Dr. Irwin Schatz.

Our anniversary was supported by a total of 22 corporate sponsors who purchased table packages starting at \$3,000 up to \$7,000. Individual donors (and staff) also supported the fundraiser by purchasing tickets for \$150. On April 22, Waikiki Health's mission was shared with a diverse new group of potential donors present in the audience, providing new opportunities for future support – going beyond our traditional donors and Reaching for the Stars. Mahalo for your support!

Waikiki Health Sites and Programs

Waikiki Health's primary care clinics and program sites offer affordable, high quality care in culturally-competent, welcoming environments. Three Waikiki Health clinics—Ohua Clinic, Makahiki Clinic and Care-A-Van Clinic—have achieved the highest level of recognition as a Patient-Centered Medical Home (PCMH). The PCMH offers comprehensive, patient-

centered and coordinated care; helps to facilitate partnerships between patients and their physicians, and when appropriate, includes the patient's family as a support team; ensures consistent quality and ongoing care through integrated health care monitoring systems, along with the meaningful use of electronic health records and care management.

Ohua Clinic (277 Ohua Avenue in Waikiki, 808-922-4787) offers the community a Patient-Centered Medical Home, targeting underserved populations. Comprehensive, fully integrated services include primary and preventive medical care, behavioral health, substance abuse treatment, tobacco cessation, medical nutrition therapy, HIV and Hepatitis C primary and preventive care, obstetrics/gynecology, chronic disease management, pharmacy services (808-791-9310) and Native Hawaiian Healing. Our Education and Counseling Center, situated adjacent to Ohua Clinic, provides team-based care coordination to improve health outcomes.

The Harry and Jeanette Weinberg Makahiki Clinic (935 Makahiki Way in McCully-Moiliili, 808-922-4787) is our largest clinic with 19 medical exam rooms. The facility provides medical, behavioral health services, optometry, a dental clinic (808-739-7346) and pharmacy (808-739-7363).

PATH Clinic (845 22nd Avenue in Kaimuki, 808-791-9390) is situated on the campus of Salvation Army Family Treatment Services (SAFTS). Our women's clinic, provides obstetric/gynecological care, primary medical care, case management and educational activities targeting pregnant and parenting women with a history of substance use. Patients are often homeless or have been incarcerated.

Next Step Shelter (Pier 1 off Forrest Avenue in Kakaako, 808-585-8800) follows the Housing First model to expedite our homeless clients' transition to permanent housing, followed by "wrap-around" medical, behavioral health and social services as needed. Shelter members are offered job training, financial literacy classes and other support.

Care-A-Van Clinic (3020 Waiālae Avenue in Kaimuki, 808-922-4787) provides primary medical care and behavioral health counseling. The clinic is open to the general public.

Youth Outreach (YO!) (415 Keoniana Street in Waikiki, 808-942-5858) is the only resource in Oahu providing homeless teenagers and young adults with comprehensive medical and social services combined with caring and nonjudgmental support. We provide meals, shelter assistance, medical services, job training and educational opportunities. YO! is jointly operated with Hale Kipa, a youth social services agency.

Friendly Neighbors (808-926-8032) recruits and trains volunteers to provide companionship and other assistance free of charge to Waikiki seniors age 60 and older, enabling our clients to remain in their own homes for as long as possible. The program provides help with shopping, phone call reassurance, light housework and/or meal preparation.

HEIS: HIV/Hepatitis C Early Intervention Services (808-791-9387) helps clients reduce their health risks and promotes tobacco cessation, serving clients at our partner agencies' substance abuse treatment sites.

Integrated Behavioral Health Care (808-922-4787) provides outpatient individual therapy, group therapy and care coordination services at each of our primary care clinics. Our behavioral health providers recognize the importance of treating both the mind and body as a whole, therefore are committed to working with clients to realize both their medical and psychological goals.

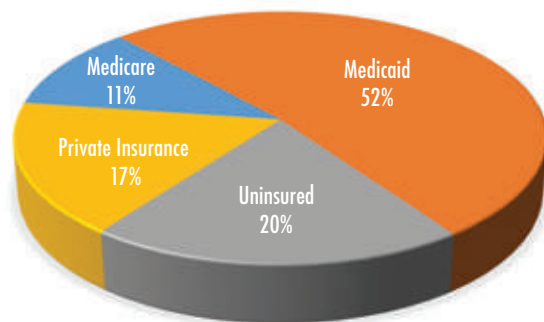

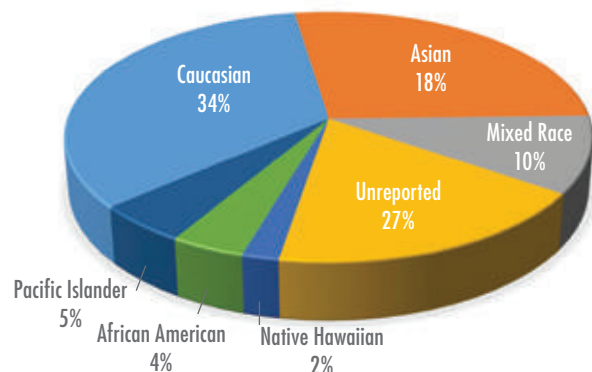

Native Hawaiian Healing (808-922-3776) provides traditional Native Hawaiian healing practices including Lomilomi (Hawaiian massage), Ho'oponopono (conflict resolution), La'au Lapa'au (herbal medicines), plus educational counseling combining the above treatments with exercise, fitness and nutritional training.

Pu'uhonua – "a safe place of healing" (808-922-3776) provides pre- and post-release assistance to inmates of Oahu correctional and prison facilities to help reduce recidivism and facilitate the inmates' transition back to the community. Our Director of Native Hawaiian Healing, Francine Dudoit-Tagupa, is the Pu'uhonua Program Director.

Executive Offices are located at the Ohua Clinic, 277 Ohua Avenue, Honolulu, HI 96815. **Administrative Offices**, including Preventive Health, Emergency Operations, Community Wellness, Finance, Patient Billing, Human Resources, IT Support, Call Center, and Marketing & Development, are located in commercial space at 2002 S. King Street, Suite 200. The mailing address for donor relations remains at our Makahiki Clinic, 935 Makahiki Way, Honolulu, HI 96826.

Financials (year ending 12/31/16)

Makahiki Medical and Dental Clinic

Makahiki Medical & Dental Clinic transformed its entire third floor – previously housing administrative offices – into 11 additional new exam rooms, a behavioral health counseling office, a labs area, providers and clinical support staff offices, optometry offices, and additional patient service areas. Together with the facility's 8 existing exam

rooms on the 2nd floor, Makahiki is now the largest clinic within the agency, housing 19 medical exam rooms, 7 dental operatories, plus our full-service pharmacy on the third floor.

Construction, which started in January, was complete July 3, at which time CEO, Sheila Beckham, Native Hawaiian Healing Director, Francine Dudoit-Tagupa, and Director of Operations, Jay Tamashiro, participated in a traditional Hawaiian blessing. Once fully staffed, the 3rd floor will have 9 new healthcare employees, plus 2 additional full time MDs. Marketing efforts to drive new patient traffic to the Makahiki Clinic included revised commercials on KGMB/ KHNL TV, direct mail pieces to the surrounding neighborhoods, an ad in Honolulu Family Magazine's "Back to School" issue, plus local press coverage in Pacific Business News. Waikiki Health's Director of Operations, Jay Tamashiro, had been working on the logistics for this project since October of 2016, and funds to support the initiative came from private donations and patient service revenues.

Pu'uhonua – "a safe place of healing": Pre-/Post-release Assistance to Oahu Inmates

Waikiki Health's "Pu'uhonua" initiative provides a support system of education and encouragement to inmates – targeting Native Hawaiians and Pacific Islanders – incarcerated in Oahu correctional facilities and prisons. While "Pu'uhonua" is presented in a cultural framework, it is designed to inform, motivate and inspire any inmate. The program reduces barriers to accessing services and provides tools for achieving success.

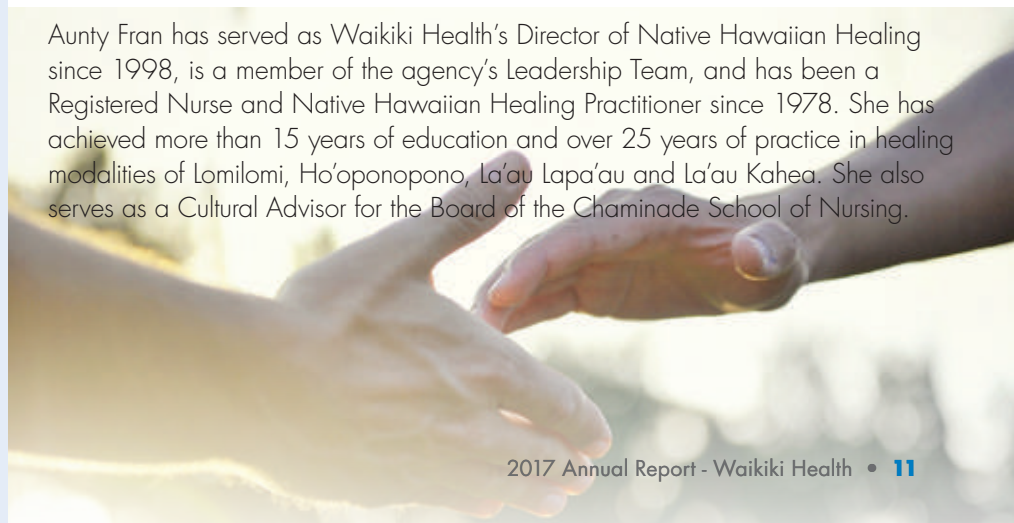

The "Pu'uhonua" pilot was developed and implemented in 2016 by Waikiki Health's Director of Native Hawaiian Healing, Francine Dudoit-Tagupa. "Aunty Fran" provides health education interventions to Oahu inmates, helping them create their "Going Home Plan for Success." She is accompanied by a Waikiki Health insurance eligibility specialist, who informs inmates about their health insurance options, and helps them apply for insurance, SNAP, Social Security, state IDs, birth certificates, and other needs, so that upon release the inmate's applications can be submitted promptly. Inmates are offered a medical home at Waikiki Health, and provided linkages to Waikiki Health's Next Step Shelter, job training programs, and other resources.

A collaboration with many other partners, "Pu'uhonua" aims to reduce recidivism, encourage community reintegration, promote family reunifications whenever possible, and break the cycle of incarceration. "Pu'uhonua" has achieved the following results: (July through December 2016): 830 inmates received health education interventions; and 467 released inmates found a medical home at Waikiki Health.

Aunty Fran has served as Waikiki Health's Director of Native Hawaiian Healing since 1998, is a member of the agency's Leadership Team, and has been a Registered Nurse and Native Hawaiian Healing Practitioner since 1978. She has achieved more than 15 years of education and over 25 years of practice in healing modalities of Lomilomi, Ho'oponopono, La'au Lapa'au and La'au Kahea. She also serves as a Cultural Advisor for the Board of the Chaminade School of Nursing.

Waikiki Health's Director of
Native Hawaiian Healing,
Francine Dudoit-Tagupa

Care-A-Van Doubles Exam Rooms, Increases Staff

Waikiki Health's Care-A-Van Clinic, located in Kaimuki, recently doubled the number of its exam rooms from two to four to accommodate more patients; improved the facility's behavioral health counseling office to provide greater patient privacy; and augmented its staff, adding a physician, nurse practitioner, licensed clinical social worker, medical assistant and a patient services representative.

The Care-A-Van Clinic has achieved the status of a Patient-Centered Medical Home, Level 3, (the highest level), offering primary and preventive care to the general community, with emphasis placed on reaching those in need. The facility, which welcomes residents of neighboring Palolo, St. Louis Heights and Wilhemina Rise, is the only primary care clinic serving those areas that takes Medicaid and accepts uninsured patients.

In 2016, the Care-A-Van Clinic provided 3,628 medical and behavioral health visits to 2,229 patients.

"It's humbling to be part of an organization that has a deep connection to the community. The fact that Waikiki Health has been an integral part of serving our community is a testament to the trust our patients have for our staff and providers. I look forward to Waikiki Health's next 50 years of service."

Dr. Rachel DiPasquale, Dental Director
