A Message from the Chief Executive Officer

Over the past year, Waikiki Health has effected positive changes throughout our community. With the expansion of Makahiki Clinic, which opened its 19 medical exam rooms in July 2017, we are now able to serve many more people seeking affordable health care. Our Dental Department became accredited with its first dental residency program, delivering accessible, comprehensive dental services.

Though we closed our Care-A-Van clinic, we have integrated those patients into other existing clinics, and we operate the medical mobile unit 3 to 4 days per week as we reach out to homeless individuals, those in substance abuse treatment or clients on furlough. We have also increased our behavioral health and substance abuse programs to focus on chronic pain management and opioid reduction.

We are producing richer clinical and demographic data with a robust data analytic department. This enables us to strategically forecast how to cope with the changing times as well as drill down to study the details in each process. We are here to improve access, quality and cost for everyone as we provide a welcoming and safe health experience.

Sheila Beckham, MPH
Chief Executive Officer, Waikiki Health

A Message from the President of the Board

Waikiki Health is a non-profit corporation whose principal purpose is to establish low cost medical clinics, which provides primary health care and social services that are accessible and affordable for everyone, regardless of their ability to pay. To serve this mission requires the help of government funding, generous donors, strong leadership and a dedicated staff. Because our purpose is to provide low cost medical clinics, Waikiki Health cannot survive without funding from many sources.

The people in our organization work tirelessly to help our patients. As you go through our annual report, you will see that we provided over 53,000 patient visits, such as medical services, behavioral health, dental, and substance abuse. We also serve patients who are homeless and uninsured.

Lastly, I cannot say enough about our donors and how their dollars go to fund our mission, and provide encouragement to everyone connected with Waikiki Health. Mahalo!

Increasing Access to Care

Clinic expansion: Renovations at Waikiki Health's Harry & Jeanette Weinberg Makahiki Clinic in McCully-Moiliili – which more than doubled the site's medical exam rooms from 8 to 19 and added other patient service areas – resulted in the facility becoming Waikiki Health's largest primary care clinic, able to accommodate more patients than the Ohua Clinic in Waikiki. Makahiki Clinic houses medical and dental clinics, and offers minor surgery, optometry services, a pharmacy, tobacco cessation and behavioral health counseling.

Comprehensive care: Ohua Clinic, however, with its adjacent Education and Counseling Services annex and increasing focus on care coordination and case management, provides the most comprehensive services of any Waikiki Health facility – ranging from primary care to HIV/AIDS services, optometry, pharmacy services, obstetrics/gynecology and Native Hawaiian Healing.

Longer service hours & walk-in services: Makahiki Clinic and Ohua Clinic introduced longer hours and Saturday appointments – and both sites also now offer Walk-in Services – to meet community needs.

Growing our patient base: In 2017, Waikiki Health served 9,905 unduplicated patients. An indication that the agency's patient numbers are trending upward is that from January through June 2018, the agency had already served 7,093 unduplicated patients.

Mahalo to Donors

(For your donation in 2017)

By supporting Waikiki Health through your monetary and in-kind donations, you help us succeed in our mission to provide health and social services to everyone in our community, regardless of ability to pay. Thank you for your generous support.

Waikiki Health Sites and Programs

Waikiki Health's Ohua Clinic in Waikiki and Makahiki Clinic in McCully-Moiliili have each achieved the highest level of recognition as a Patient-Centered Medical Home (PCMH) by the National Committee for Quality Assurance. These primary care clinics follow a team-based service model and emphasize care coordination, addressing each patient's

unique physical, behavioral health and social service needs. Waikiki Health's clinics, program sites and outreach services provide quality care in welcoming, culturally-competent environments, increasing access to services and support for everyone who turns to us.

Ohua Clinic provides Waikiki Health's most comprehensive services at one facility. Services include primary and preventive medical care, integrated behavioral health, HIV/Hepatitis C early intervention services, obstetrics/gynecology, optometry, substance abuse treatment, tobacco cessation, medical nutrition therapy, chronic disease management, pharmacy services, Native Hawaiian Healing and medical-legal services. Special emphasis is placed on reaching underserved populations, including those who are uninsured, homeless, or living at or below poverty level. *(277 Ohua Avenue in Waikiki, 808-922-4787)*

Harry and Jeanette Weinberg Makahiki Clinic is Waikiki Health's largest primary care clinic, with a total of 19 medical exam rooms. Makahiki Clinic also houses a Dental Clinic with 7 dental operatories; pharmacy; and offers optometry services; tobacco cessation; and behavioral health. *(935 Makahiki Way in McCully-Moiliili, 808-922-4787)*

PATH Clinic, situated on the campus of Salvation Army Family Treatment Services (SAFTS) in Kaimuki, targets pregnant and parenting women with addiction challenges. Services include Ob/Gyn care, tobacco cessation, Movin' Moms exercise sessions for new mothers and infants up to six months of age, and other services. *(845 22nd Avenue in Kaimuki, 808-791-9390)*

Next Step Shelter provides housing case management, financial literacy classes, job training, and other assistance. Next Step targets chronically homeless individuals, including those with mental illness and/or substance use issues; veterans; elderly; individuals with HIV/AIDS; and others with chronic conditions. *(Pier 1 off Forrest Avenue in Kakaako, 808-585-8800)*

Youth Outreach (YO!) offers medical and social services together with nonjudgmental support to homeless and at-risk youth. Services include meals, clothing, shelter assistance, crisis counseling, case management, tobacco cessation, job training, educational programs, and laundry/hygiene facilities. The YO! Clinic (serving youth age 14 and older) offers primary medical care, health education, family planning, and STI/HIV testing and screening. YO! is operated by Waikiki Health and Hale Kipa, a youth social services agency. *(415 Keoniana Street in Waikiki, 808-942-5858)*

HEIS (HIV Early Intervention Services), a community outreach program, helps clients reduce their HIV and Hepatitis C health risks, and promotes tobacco cessation, serving clients at partner agencies' substance abuse treatment facilities.

Integrated Behavioral Health Care provides individual therapy, group therapy and care coordination at our Ohua and Makahiki primary care clinics, recognizing the importance of treating both the mind and body as a whole.

Native Hawaiian Healing provides traditional Native Hawaiian healing practices including Lomilomi (Hawaiian massage), Ho'oponopono (conflict resolution), La'au Lapa'au (herbal medicines), plus educational counseling combining the above treatments with exercise, fitness and nutritional training.

Pu'uhonua Program serves incarcerated men and women at Oahu correctional institutions and prisons, helping them achieve a successful transition back to the community. Program Director, Francine Dudoit-Tagupa, Waikiki Health's Director of Native Hawaiian Healing, and her staff help inmates create a "Going Home Plan for Success," and fill out applications for medical insurance, food stamps, housing assistance, and other benefits.

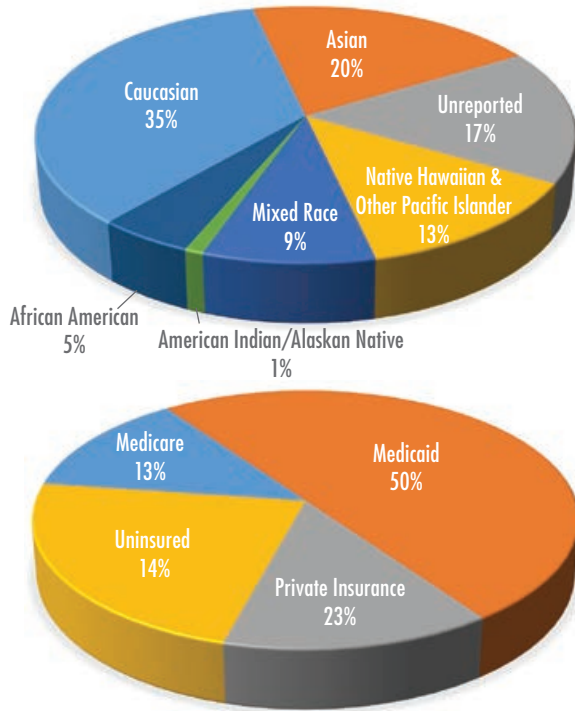

Education & Counseling Services, adjacent to Ohua Clinic, enables patients to meet with staff, as needed (RN care coordinator, behavioral health care coordinator, clinical psychologist, registered dietitian, tobacco treatment specialist, health educator and others) to ensure they are receiving appropriate and complete care.

Care-A-Van (Mobile Medical Clinic) is utilized to increase access to medical care and therapy, serving clients at substance abuse treatment programs operated by Salvation Army and Hina Mauka.

Executive Offices are located at the Ohua Clinic; and the **Administrative Offices**, including Human Resources, Finance, Patient Billing, High Risk Services, Emergency Operations & Community Wellness, Call Center, Marketing & Development, and IT Support, are located at 2002 S. King Street, Suite 200.

New Medical-Legal Partnership

Waikiki Health now offers free legal help from Medical-Legal Partnership Hawai'i (MLP), a joint project of the William S. Richardson School of Law at UH Manoa and the health center. Assistance is provided at Waikiki Health's Ohua Clinic on Wednesdays and Fridays.

Eligible patients are encouraged to meet with a legal advocate for issues such as: Public Benefits (Quest/SNAP, welfare); Housing (public housing); Family Law (guardianships, power of attorney, paternity/custody, child support, domestic abuse); and other legal concerns.

Waikiki Health's introduction of Medical-Legal Partnership Hawai'i is one more example of how the health center provides holistic care, treating the "whole person" by taking into account mental and social factors impacting the patient, not only physical health.

Planned Giving

Planned gifts help ensure the long-term sustainability of our non-profit's mission, which is to provide quality medical and social services that are accessible and affordable for everyone regardless of ability to pay. By making your intentions known through a planned gift today, you will support our success and be long remembered for your thoughtfulness.

Planned Gifts

You may choose to support our mission through cash donations today, and/or contribute to the sustainability of Waikiki Health in the long-term. There are many options available and we encourage you to consult your financial advisor to discuss the tax implications (and needed paperwork) to execute giving opportunities including: bequests; gifts of stock; life income gifts; and life insurance policy/retirement assets.

Leave a Legacy

Whatever you choose, please know that your philanthropic generosity will long be remembered in honor of your name, or in honor of a loved one. A legacy gift allows you to continue supporting our agency for future generations to come. Please consider including a gift to Waikiki Health in your will or estate plan.

For more information about planned giving, or to request planned gift documents, contact Mary Beth Lohman, Chief Marketing & Development Officer at 808-537-8400 or mlohman@waikikihealth.org.

GET CONNECTED

a member of WAIKIKI HEALTH

Sending a special Mahalo to all of our Waikiki Health employees, who went above and beyond their roles as staff and generously donated to our 2017 Get Connected Annual Giving Program.

Reducing Emergency Room Overcrowding

Waikiki Health has been expanding its partnership with The Queen's Medical Center (QMC) with the aim of strengthening the collaboration with their Emergency Department (ED) staff who work with Waikiki Health's patients who are habitual ED "overutilizers."

When a mutual patient presents at the QMC ED with a confirmed non-emergent health or social service need, QMC re-directs this Low Acuity Patient back to our Makahiki Clinic to receive appropriate treatment as a walk-in patient. With help from our RN Care Coordinators, the re-directed patients are accommodated in a timelier and more cost-saving manner.

Oahu hospital Emergency Departments (EDs) are known for long waits due to overcrowding and the high cost of ED visits. Many individuals habitually visit EDs on a far-too-regular basis when not necessary, delaying treatment for those with medical emergencies. This partnership has proven its ability to reduce the cost of non-emergent care for our Waikiki Health patients, while aiming to improve their overall health outcomes.

"The one thing about Waikiki Health that means the most to me is having Sheila Beckham as our CEO. As an agency, I've seen this place grow within the past several years because of her leadership."

Maurice Kalaa
 Chief Patient Services Officer
